

Convaid Rodeo

The Convaid Rodeo is a popular pediatric tilt-in-space wheelchair that is convenient, lightweight and folds compactly. The Rodeo provides up to 45° of adjustable tilt that offers pressure relief and upper body support.

This tilt-in-space Rodeo is fully customizable to meet user's specific therapeutic needs and provides growth option through its adjustable seat depth feature.

Rodeo's Cordura upholstery comes in a wide selection of colors and is removable and fully washable.
