

Convaid Cruiser

The Convaid Cruiser is a 30° fixed-tilt pediatric wheelchair that is convenient, lightweight and compact folding.

The Cruiser is custom-built to meet each individual requirements. It comes equipped with Convaid's proprietary self-tensioning seating system, Self-Tensio™, which provides increased seating tolerance and can help promote neutral pelvic positioning.

The chair is has removable and washable Cordura, that is available in various colors. It has adjustable seat depth, which follows the growth of the child.
